New post for realtor

Premier Canadian Properties in Kelowna has launched a new division — Premier Hotels and Motels.

Specialty realtor Jerry Dombowsky heads up the new division, which matches the buyers and sellers of hotels and motels throughout B.C. and Alberta.

The partnership with Premier means Dombowsky's listings are promoted through Premier as well as internationally with Christies Great Estates, of which Premier is a member.

The new division also has its own website, located at www.premierhotelsandmotels.com.

Dombowsky has dealt exclusively in hotel and motel sales for the past 32 years.
